LOUISVILLE DAILY DEMOCRAT.

LOUISVILLE, KENTUCKY: WEDNESDAY MORNING, NOVEMBER 28, 1866.

TERMS OF THE DAILY DEMO-CRAT TO THE COUNTRY.

To our Country Patrons.

MAULTS SIRUP OF HYPHOSPRATE OF thorn, the thorn has the rose. If any one apon the South by threatening a reduction of our tion of representation; while in the tax is imposed on cotton. To do these a matter of no concern. Certainly the things do the Radicals seriously in-Southern States, who have the say so, ine; but as this occupies all their will not admit it into the Constitution. cline; but as this occupies all their will not admit it into the constant dres; tune, one department of the Government Wherever else it may be taken we leave the schedul for its mourners, headed by every Radical is doing well. The tinauces are well to its mourners, headed by every Radical nanaged. The payment of \$200,000,000 of who thinks a trick to cheat one-half the NERVOUS RÉADACHES AND NEUBALdebt in the past year shows it. Does any Union, a piece of statesmanship. one suppose that the Radicals, with their one suppose that the Radicals, with their with the result of the res one suppose that the tradicals, capacity to plsy particular generally, would ever have allowed this, if their the dominant party all at sea, without the dominant party all at sea, without the dominant party all at sea, without whole attention had not been occupied by whole attention had not been occupied by chart or pilot, its officers having shut themselves up in the cabin, stuffed their transfer of Marito y Marital Ex-

gress they will devote themselves to im- tors of our leading journals—every Releave finances alone. We know that rea New York at POUNTER & VANDES & CO. S. 13 with reforms at they would effect. If they touch finances they will destroy the torms are needed in this, but we want no evenue just as their tampering has inwith pleasure all the efforts of the Radi-

calpress urging them to stand by the approaching that very important receptamong themselves, so that McCniloch can if the man was not known to be more of ou with the finances. It it does not, a squirt than a fire spitter.

man! what absurdities he can perpetrate powerful than they esteemed. they have now driven out of the world, the good tied does not see they have new driven out of the world, the good tied does not see to fleaven when I die, I All in the name of God and liberty! send me to Massachusetts. AUSTIN B. FRENCH,

What they are doing now the world ages.

The Ocenn Queen. ONE OF THE FEATURES

days of the same position in society. Let it go.

Our new Minister to France, sailed this atternoon in the City of New York. It is something to know that Dix is provided for, at least for a twelve-month to come. It will keep his mind easy. By-and-by, however, as like as not, he will fix his eye on some other office that will pay better, and then you may lay your life he will set his wis to work to get possession of it. Dix isn't popular since the dark days of the war, when he was so ready to do the dirty work of Secretary Stanton, especially in the matter of shnttling ap hemocratic newspapers. It is to be hoped he will make a good French Minister, hut nebody Issorry he is gone.

making elsewhere to impurt some import-bution to the its well enough to give you what may be considered us the President's in own estimate of the story.

The most alarming symptom of the find the restriction of the Radicals and France with a sumption of the Radicals and France with a sum of the property of the property of the sum of the property of servative dodge, in order to win over to daya since the Cinciunati police authoribis anpport the votes of some Democratic ties received from a member of the well-wint cost. It is a fact that all

NUMBER 115.

Gentiemen direct from Washinglon this that the Government see plainly that the atternoon, who talked with the President gathering clouds will not clear off with yesterday morning, pronounce as false out a storm; and that the next war is one ing initial sensation story that "Andrew Johnson has surrendered to the Radicals;" in other words, that the President is coming out in his message in fivor of the nigger equality Constitutional smendments. The fact that Philadelphia is the starting place of the atory is, in liself, presumptive evidence of its fishity; still, as an effort is making elsewhere to impart some imports ago sent in a report to the improvement of the country, and consequently belonging exsamelles on the financial country, and consequently belonging exsamelles on the financial country is not altered to the starting place of the story is, in liself, presumptive evidence of its fishity; still, as an effort is making elsewhere to impart some imports.

Louisville the Metropolis , the West.

Population 160,000.

Immense increase in Population Improvements, &c.

That Louisville is to become the mo tropolis of the West and Southwest, n one will deny who knows her great gendical advantages, and, as a public

on Broadway, New York.

That the progress of Lousville is onward and upward no one who will look at the facts can deny. When the United States census was taken in 1890 the population of Louisville was about 73,000, and now, only six years afterward, it is fully doubled, and we hazard nothing in saying that in the next five years Louisville will become the great city of the West. The city directory, lately published, one of Grayson county, arrived here yesterday, having in churge the following persons, who were convicted at the introduced and we hazard nothing of Grayson county, arrived here yesterday, having in churge the following persons, who were convicted at the murder of Norton, and the case against the murder of Norton, and the case against the first out the trial dock aggerate, we will const out the name of Louisville would contain 27,000 souls, but, as we are not disposed to exaggerate, we will const out the name of Louisville would contain any leaves of Louisville would contain any loads of the Grein of which would stirt the facts can deny. When the deadly weapon were try meage that the facts can deny. When the deadly weapon were try meage that the facts can deny. When the deadly weapon and the weapon was a deadly weapon and the weapon was a deadly weapon and the weapon was a deadly what murths against the facts can deny. When the deadly weapon and the weapon was a deadly weapon and the weapon was a deadly weapon and the will be remembered as a brick of a deally wash on manufacture. An Interest the question of the difficult of a deally weapon weapon and the weapon was a deadly weapon and the weapon was a deadly weapon and the weapon was a deadly what murths and the name of the deadly weapon and the weapon was a deadly what murths a principle of a deally wash and the weapon was a deadly what murths when the united of the little of the city with the freeze of the deadly wash what the delevant of the difficult of the weapon and the weapon was a deadly what manner the weapon was a deadly what murths when t

a mostrapid increase, being over 101 per cent, in the short space of six years.

Not only is Louisville increasing population, but are amendmentative to the Logislature the increase has been even greater than that in population, and to-day her asiles of the Logislature the move for the amendmentative will be made at the most from the common agroceries, exiton, tobacco and produce or cell any city in the West. The daily san time to being not only the largest in the world, but the cotton or roop of the South will find an omite through her. The business of the city has so rapidly increased that, though hundreds of stores have been exceeded in the cotton Main street, there is still an active demand for more.

In addition to the above the city has increased a vary way, and to day extend and consume the control of the sales of the common wealth of the sales of which was given employment to a large number of phands, and which coat the outlay of millions of doiling. Besidences, the construction of which has given employment to a large number of phands, and which coat the outlay of millions of doiling. Besidence and providence of the common wealth of the sales of train on Monday was that department of the control of the sales of train on Monday was that department of the control of the besidence of the control of the city in the West. The control of the cont

opened, while others have been extended, and to-day Lonisville can boast of 2% streets crossing each other at right angles, according to the pleasantest places in the city. The object for which the fair was gotten and bowing the attreets has caused an outlay of an immense amount of capital, yet the work has gone bravely on, and, with the proper exertion on the part of our citizens. Go to the fair to-night.

Hon, James Guthrie.—We are pleased to which wile according to the contributions from our citizens. Go to the fair to-night.

Hon, James Guthrie.—We are pleased to the fair and it is now the test of the pleasantest places in the city. The object for which the fair was gotten in the General Council asking to the Fills City timbing a rope, and schighting on ladders on thouse. At a meeting of the Council last inght, a remonstrance to the pleation was a read, which was referred to the committee which now a referred to the connection of the blank of the best quality, with the proper dotted the fair. The kiterian school according to the fair to-night.

of those who die in the service.

The society has been happily called "Gambrinus," after the legendary inventor of our modern nectar, who was a king ruling over the fair provinces of Flanders and Brabant, although beer was known already in the year 10, after the birth of Christ, as the favi rite beverage of ancient Tentons. Gambrinna is generally considered as the first brewer, and celebrated as the patron and prince of this useful and hardy race. The Latin "nomen," or name for beer, is crevisia, the wine of Ceres, wheat and corn being under the special care of this benevolent goldess, and Miss Cody. We only wish that the special care of this benevolent goldess,
